Did You Ever
Have To
Make Up
Your Mind?

Say yes to one and leave the other behind . . .

It's not often easy . . .

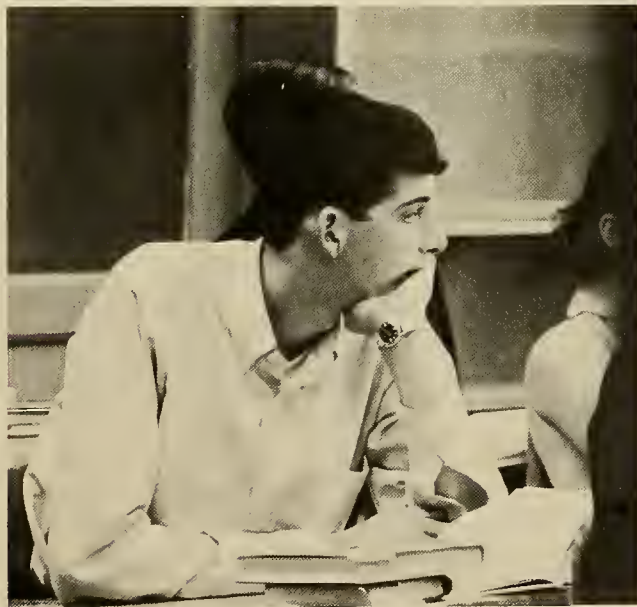

There's so many changes and tears you must hide . . .

Did you ever have to make up your mind?

Hair down to here and plenty of money . . .

Then you get distracted . . .

HELP

I've opened up the door . . .

When I was younger, so much younger than today . . .

I've changed my mind . . .

Now my life has changed . . .

Do You Believe In Magic?

In a young girl's heart . . .

Music is freedom . . .

Don't bother to choose . . .

Come along with me . . .

Start with a smile . . .

Meet you tomorrow . . .

Place in the sun . . .

I've been walking . . .

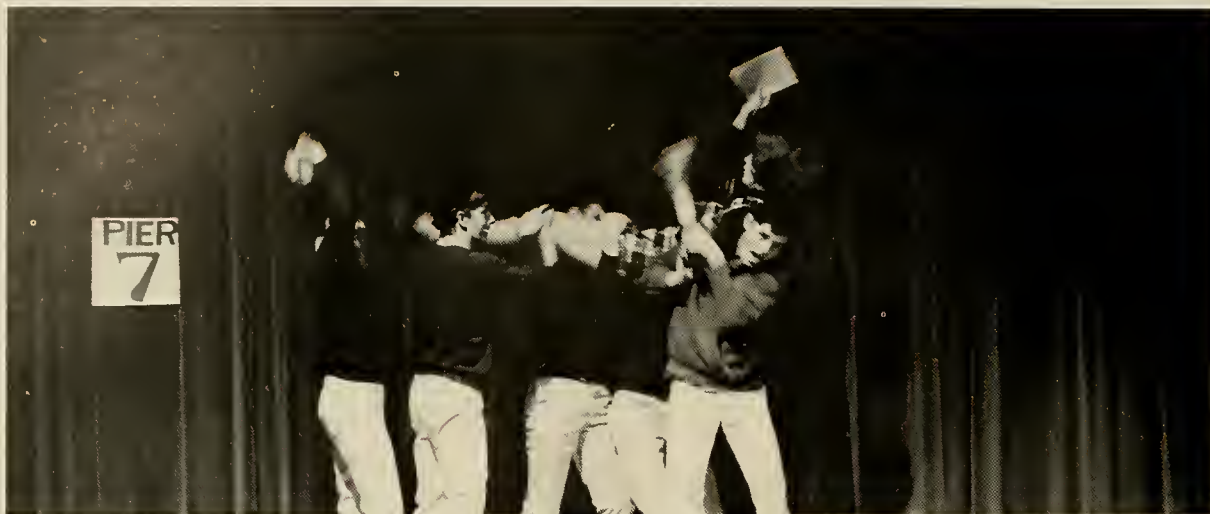

Tired troubled earth . . .

A Place In The Sun

Running for to dream . . .

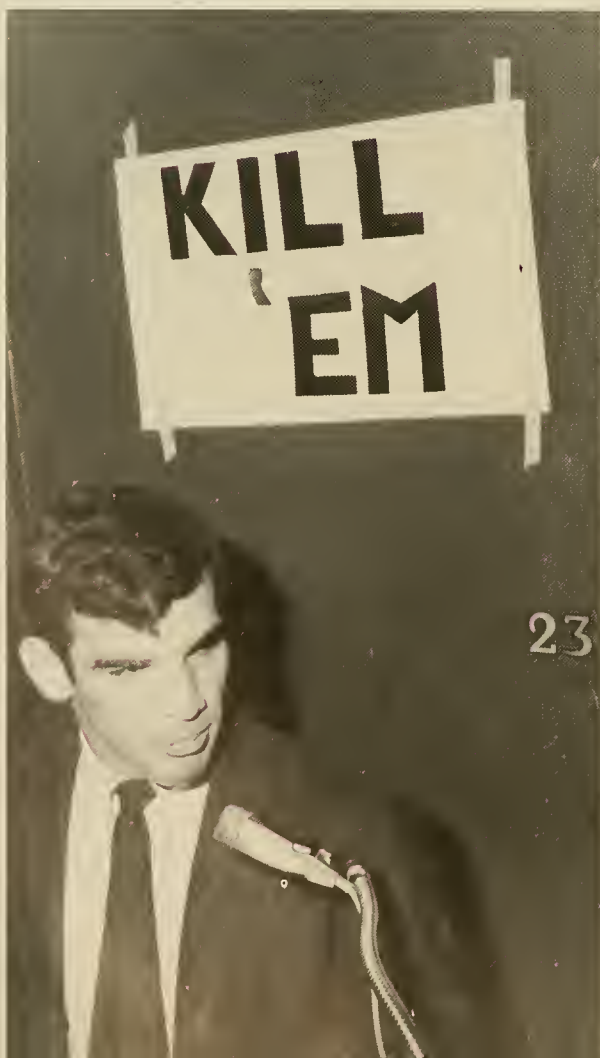

Like the branch on a tree

A time to laugh . . .

Turn, Turn, Turn

A time to kill . . .

A time to plant . . .

A time to break down . . .

A time of war . . .

A time to weep . . .

A time to dance . . .

A time to gain . . .

Yesterday's Gone

You were the one . . .

Crossed miles and miles . . .

But that was yesterday and yesterday's gone . . .

I can't believe it's gone forever . . .

We had such happiness together . . .

Hope that you remember when . . .

Yesterday's gone . . .

But now it's over and done . . .

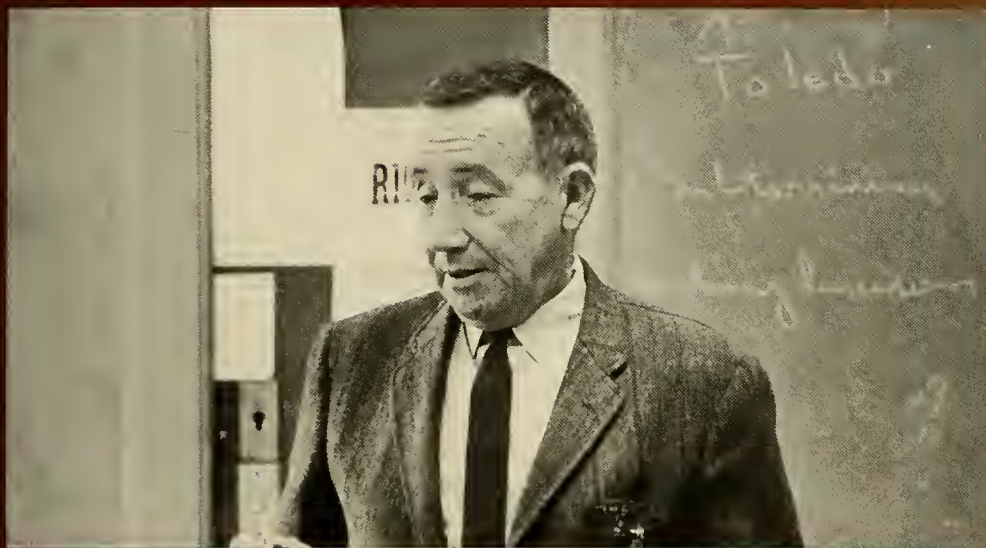

But wait til summer comes again . . .

Dedication

The Class of 1969 proudly dedicates this yearbook to you, Mr. Cameron with gratitude for the support and service which you have given us during the past two years. Your classroom teaching tempered with a bit of humor has varied our monotonous schedules. As a Future Teachers' advisor and as our senior advisor you have devoted much of your time. It is through your helpful advice that we as a class leave, feeling that we have not only taken from West Bridgewater High, but also given to it. Mr. Cameron, your familiar cry of "Seniors" will not soon be forgotten.

We find it is very difficult to express on paper all that you have done for us. May we end our high school years with a personal Thank-you for aiding us in this period of our lives.

Mr. Donald Fisher, Superintendent

Mr. James Harrington, Asst. Principal

Administration

Dear Graduate:

It is a pleasure to congratulate you members of the Class of 1969 upon the completion of the first phase of your education. I refer to your elementary and secondary years as the first phase because most of you will be entering other schools or colleges this next fall. Yet, regardless of whether or not you are continuing in a formal school program, your education continues throughout your entire life. Obviously I am not limiting myself to classroom type activities. I refer to the daily opportunities that you have had and will continue to have in your home, church, school, and elsewhere to be exposed to experiences that will now help in making the decisions and judgments demanded of responsible citizens. This is the usual way in which one matures and continues his education in a democratic society.

Your interpretation of our times will be indicated in your attitude. The pessimistic or defeatist type of person can only believe failure or catastrophe will result from the problems facing the world. The optimists and positive thinking people will look upon these same problems as challenges offering opportunity for growth of the individual and overall improvements for mankind. You have received some of the tools to cope with these problems. Which approach will you take?

Thank you for your many contributions to our schools and community. God bless you and good luck in the years ahead.

Donald A. Fisher
Superintendent of Schools

MESSAGE TO SENIORS

You are entering a society which is complex and fast moving so that few, if any, can keep up with all the things that are happening.

We, at West Bridgewater High School, have been attempting to impress upon all students the necessity of accepting the responsibility needed to survive, and, hopefully of improving the world in which they will live. The greatest complaint of young people today seems to be that in some manner or other, their rights are not being considered when decisions are being made by the persons in authority. If you expect to be really heard, you must accept the responsibility that goes with decision making. To have your judgement considered you must initiate action to prove to all that you are worthy.

Your generation is no different from others in your frustration over the slowness with which the adult society is willing to accept change and move ahead. We, the adult society, are accused of worrying too much over trivialities, but if you analyze the problems that young people complain about, they are just as trivial in the overall scheme of things as "long hair" or "short skirts". This leads me to say that if you intend to criticize society, be sure that your criticism is justified and of sufficient importance to be considered, and be sure that, in your efforts, you do not do the same thing which you are criticising. You can be certain that the ideas by young people and the reaction of young people to these ideas are usually just as insignificant to society as many of the concepts with which you feel adults waste time. When you come up with, or align yourself with a cause, be sure it is significant, and worth the time and effort you may spend.

Please remember the three R's: Respect for all, Rights for all, Responsibility for all, and remember also that **HAPPINESS IS EDUCATION**.

Please accept my best wishes for all your future endeavors.

Mr. Thomas Burdin, Principal

Sincerely,
Thomas G. Burdin, Jr.
Principal

School Committee

Boosters Club

The Boosters Club is an active organization in the town of West Bridgewater. Its chief function is in aiding students in their athletic activities. It is well known for the annual sports award banquet where the athletes accept their various citations. There are approximately thirty active members of the organization who raise funds to contribute towards scholarships and donate jackets and awards. Their donations are not always material, but they also give a great deal of their time and energies. At many a football or field hockey game the Boosters Club members are there to provide soft drinks and snacks. Of course, this is but one of their contributions to our town and school. The present Senior class wishes to express its deep appreciation to the Boosters Club for the services it has rendered during our high school years.

We stand on the threshold of our future; our eyes looking forward; our feet ready to proceed on the varying pathways of our lives. All is not forgotten. Our minds relive the memories of our school, our teachers . . . our friends.

We are thankful for experiences that have helped us grow in body and mind; for the successes and failures; the joys and the disappointments, which have challenged our spirits. We will gradually acquire a steadfastness that will not let success weaken us or disappointment cast us down. In time, we will acquire "the serenity to accept that which cannot be changed; the courage and faith to change that which can be changed; the wisdom to distinguish one from the other." We will be careful to consider our doings before we do them, and our words before we speak them.

As we leave these halls, we will take with us, in our hearts, . . . you; and in departing, we, seniors, will leave behind us, footprints on the sands of time.

ORGANIZATIONS

Student Council

The Student Council is an organization which was formed to benefit all the students of the school. It is the voice of the student body. The Council is made up of representatives of each class. Our activities consists not only of aiding classes, but also outside work. We have broadened our knowledge of student government by attending state-wide conventions. Our recent project has been the collection of clothing and articles to be sent to the people of Appalachia for Christmas.

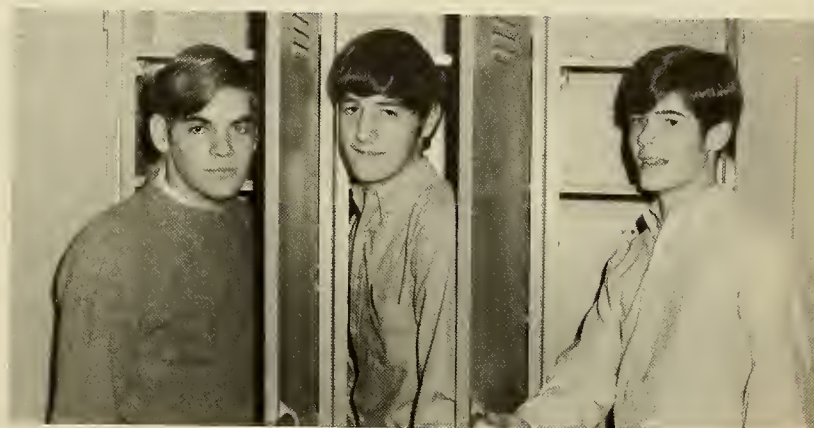

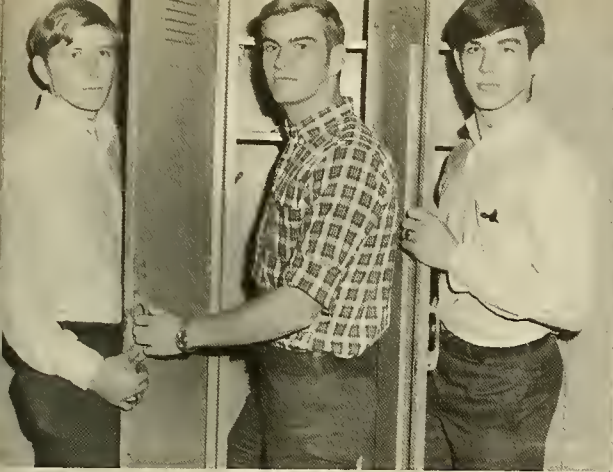

National Honor Society

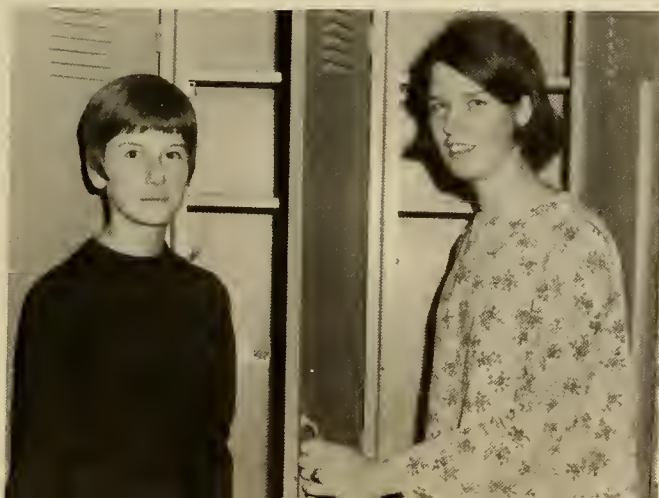

This year the National Honor Society has been much more active than in recent years. An Induction Ceremony was held in December for three incoming Seniors. A Committee of the Society has been working on a bulletin board outside of the guidance offices concerning further schooling. Also, a survey was conducted throughout the student body in order to make aware the need for college preparation.

Drama Club

The Dramatic Club as a new extracurricular activity this year has proven to be a tremendous success.

Although newly formed, we are proud to have had so many students to join.

Many different areas of study are open to all members interested in the theatre. Our first assembly at Christmas was warmly received by all and paved the way for better things in the future. This marked the first major breakthrough in showing what a club of this type can do toward bringing the student body closer by learning to work together for enjoyment and self-satisfaction.

Elections were held and the officers voted into office this year are, President, Marsha Gallagher; Vice President, Cheryl DeVine; Secretary, Sherrol Perry; Treasurer, Christine Staples; Clerk, Nancy Mazza. Representatives for the classes were chosen as follows; Senior Rep., Diane DeVine; Junior Rep., Melinda Coelho; Sophomore Rep., Susan Macdonald; Freshman Rep., Pamela Keith.

The person to whom we owe all our thanks is our advisor Mrs. Murphy, who has shown us the true meaning of a Dramatic Club.

West Bridgewater vs. Norwell	4-6
West Bridgewater vs. Apponequet	9-5
West Bridgewater vs. South Shore Voke.	9-0
West Bridgewater vs. South Shore Voke.	13-0

For the second straight year, and the only 2 times, West Bridgewater was the Western Division Champions of the South Shore League. Cully Ohlson was the inspirational leader who pitched, hit, and fielded the way to the championship. Gene Devine, Paul Ayres, and

Marcus Bucci rounded out a well balanced infield. High points of the year was the selection of Cully Ohlson and Ed Zambitas to the South Shore League All-Stars. Thanks go to Mr. Rapp for his great coaching and inspiration he gives to all his athletes.

1968 Orphans

The 1968 football team had a year of big disappointments. Key injuries to important personnel, plus a long string of bad breaks resulted in a final record of 1 win and 8 losses. Co-captains John McCaffrey and Chris Gillis won the respect of the entire league for their great contributions to the team.

Seniors Charlie Nelson, Brian Van Dyke, Bob Dwyer, and Steve Van Dyke added experience and desire. Gene Devine finished sixth in area scoring. Underclassmen who will give Coach Rapp the great season he well deserved next year include Steve Pike, Jack Hamilton, Bill Lucini, Ed Zamitas, Rick Ness, Dick Livie and Ray Corria.

After two championship seasons, Coach Paul Sargent was faced with the task of rebuilding a new basketball team. 1968's Junior Varsity team shined as a new hardworking, Varsity squad. Wee-Bee's now Varsity squad, has found it surprisingly easy to fit into the past winning season. The "Team" has learned that hard work, a good coach and aggressiveness makes a winner.

THE GRADUATING CLASS OF 1969 SINCERELY THANKS . . .

Mr. Robert Murphy of the American Yearbook company for all of his many, many helpful suggestions. He has aided us so much in both the layout of our yearbook and the business end.

Dodge-Murphy Studios for the time they willingly spent photographing our sports events, activities and organizations.

Mr. Burdin, our principal, and Mr. Fisher, our superintendent, for their never-ending cooperation in allowing us the time and materials to meet the requirements of the publication.

The faculty of West Bridgewater High School for their support and willingness to render help.

The townspeople who gave so generously in order that we might make our yearbook possible.

West Bridgewater High School for the memories that will linger throughout our lives.

Cynthia Crowell, Editor
Mr. Paul Ronan, Advisor
Mrs. John Kent, Business Advisor
